What are your Dues Worth?

You pay . . .

. . . $8,000 per year to **insure** your health;
. . . $1,500 per year to **insure** your home;
. . . $750 per year to **insure** your car;
. . . $500 per year to **insure** your life.

Now, you can insure your career for just $220 or less*.

By joining OSPE, you are *"insuring"* the PE license that provides for your family, insuring your career against licensure "surprises" and insuring the profession against special interest groups that want to weaken it.
