J.M. Verostko, Inc. Engineering Consultants: Electrical Engineer

J.M. Verostko, Inc., an MEP engineering firm, is currently seeking an Electrical Engineer to expand our engineering team. This position will work closely with our clients to develop electrical designs for Commercial, Industrial and Institutional projects. The individual that we are seeking must be able to work independently, as well as part of a team producing electrical engineering documents for detailed building projects. This individual must be capable of running a department and working with younger engineers for further development. AutoCAD experience required with Revit experience preferred. (posted, 3/21/18)

Requirements:

A Bachelor's degree and a minimum of 10 years of experience working at a consulting firm are required along with PE license in the State of Ohio. Resumes should include a cover letter detailing current and past experience. All inquiries will be kept confidential. We offer a benefits package including health insurance, professional development, paid time off, 401k and much more.

Please send resumes
and cover letter to megan@jmverostkoengineering.com

Awards

Ohio Society of Professional Engineers 2017-2018 Awards

To view available awards and their deadlines go to the "Awards" tab on the left. Most of the award winners must be OSPE members.

Awards Manual

The Professional Engineers in Industry Practice Division of the Ohio Society of Professional Engineers is pleased to announce its 2017 Ohio New Product Award competition.

If your company has developed a new process or project it may be eligible for competition for state and national recognition. Nominations are grouped according to the size of the manufacturing company. Winners will be selected in four firm size categories. Judging is performed by the OSPE-PEI Awards Committee. Nominations must be submitted on the entry form , which you may also copy for multiple applications.

A state winner will be selected in each of the four firm size categories.

Richard Smelker, PE, FNSPE, Chairman

Owen March, PE, OSPE President

Tim Schaffer, Executive Director
