Membership & Tax Deduction

OSPE Associate membership dues include membership in OSPE and your local chapter, and the \$25 annual subscription cost of OhioEngineer magazine. OSPE dues are not deductible as a charitable contribution for federal income tax purposes but may be deductible as an ordinary and necessary business expense. OSPE estimates that 23 percent of your Ohio dues is not deductible because of OSPE's lobbying activities on behalf of its members. Pursuant to the Internal Revenue Code, this percentage of your dues is not deductible. Please consult your tax advisor for details.

Signature

By virtue of signing the application, you are attesting that the information you are providing is complete and correct to the best of your knowledge. You further agree, if accepted for membership, to comply with the OSPE Constitution & Bylaws, NSPE Code of Ethics and Ohio Revised Code Code of Ethics.
