Recruit two new members by June 30, and OSPE will pay your NSPE three-tier dues next year.

**WE PAY
YOUR DUES**

We recommend that you start recruiting in your own engineering organization first. For a list of non-members in your area, contact OSPE.

Applies only to full dues payment for licensed member and member categories. Does not apply to any reduced dues or other promotional campaign. All new member dues must be paid by 6/30/2020.
