Getting Ahead

- Engineer II: City of Columbus, Division of Water (posted July 3, 2024)

CITY
OF COLUMBUS: Division
of Water – Engineer II

The City of
Columbus Division of Water (DOW) is accepting resumes for a vacant Engineer II
position. Salary: $40.24-$60.35/hr.
To qualify you must have a valid State of Ohio certificate as a registered
Professional Engineer and a valid motor vehicle operator’s license. This
position will be in the DOW’s Distribution Engineering section and will be
responsible for reviewing proposed plans and submittals affecting the water
distribution system to ensure compliance with DOW practices and standards.
Duties will also include: attendance of development meetings and review of
plans submitted to the One Stop Shop, resolving conflicts that arise during
construction to ensure the solution will safeguard the water infrastructure,
and supervising staff including engineers and technicians involved in plan
review. Candidates should have training
or experience in one of the following fields: civil, electrical, structural,
building mechanical, architectural engineering and other engineering fields.
Prior experience with plan
review or the development of plans that include water infrastructure is
preferred.

If you are
interested, please submit an application to the Civil Service Commission by
applying online at www.csc.columbus.gov by 7/15/2024.
Please attach a resume to your application. You may also apply by emailing your
resume to DPURecruitment@columbus.gov.

Pre-employment drug screening and BCI& I background required if
selected.

City
of Columbus is an Equal Opportunity Employer.
