

Making Friends

Come to OSPE for the best in networking with your peers!

Work on a project side-by-side with Ohio's leading engineering leaders.

And when you are ready to move up at work or in the profession, OSPE will help you develop the leadership skills that make the difference between engineers and engineering leaders.

Call OSPE at 1-800-654-9481 (223-1144 in Columbus) to learn how to supercharge your career!
